

SAAS

SPONSOR AN AFRICAN SCHOLAR

MWANAMISI

Mwanamisi is currently in form three and a full-time border. Mwanamisi will finish high school in December 2022. Mwanamisi is a determined young girl whose future ambition is to become a Neurosurgeon.

FAMILY BACKGROUND

Mwanamisi stays with her grandparents after her parent passed on. Together with them are her 2aunties. Mwanamisi's granddad is the one working as a fisherman. At times his business is bad especially when he does not catch any fish due to high tide. Well-wisher came through and supported Mwanamisi to join high school. Currently, she is at home because of the huge school balance. The well-wishers were only for one-time aid.

Mwanamisi was overjoyed when she got a one-term bursary from SAAS. This would ensure that she goes back to school and wind up term2 without any problem. At the moment she is pleading for someone to help her with the remaining fee so that she can finish form 4 without any challenges.

They all stay in one room Swahili house. It has neither electricity nor running water.

EDUCATIONAL BACKGROUND

During her free time, Mwanamisi enjoys singing and dancing. She also adores mathematics and science. According to her, she performs very well in them.
