

Rhoda Philip Msungu

Rhoda is 15 years of age. She is looking forward to joining a secondary school in July 2021. She is a very hardworking young lady.

Family Background

Rhoda stays with extended family which is being headed by her grandmother. Rhoda's dad denied her when she realized Rhoda's mum was pregnant with her. This forced Rhoda to be raised by her mum and grandmother. Currently, her mum is married to someone else who wants nothing to deal with Rhoda. She together with other siblings including, her cousins they all stay with their grandmother who is their sole provider. Her grandmother sells food at construction sites. At times there are no new sites hence causing them to go for months without work.

All the family members stay in one room house which has electricity but no running water.

She pledges if anyone is willing to support her high school education so as she can meet her dream of becoming a nurse.

She enjoys science and social studies. She likes cooking too.
