SPONSOR AN AFRICAN SCHOLAR

MOHAMMAD

Mohammad is 14 years of age. He completed his primary level in March 2021 and managed to score 326 marks in his Kenya Certificate of Primary Education. He is looking forward to joining form 1. He is a very hardworking young boy and he will be completing his secondary level in November 2024.

FAMILY BACKGROUND

Mohammad is the 3rd born in a family of 3 children and all being boys. He stays with his grandmother in the Kongowea area. They all stay in a family house which is a relief for them. His mother has no job at the moment and so they all depend on Mohammad's grandmother who sells Mahamri and beans to earn a living.

His father abandoned them and remarried so it has been their mother and grandmother who have been taking care of them. Due to Corona, his mother lost her job and she finds it difficult in educating her children.

Mohammad is pleading for someone to come to his aid so that he can join high and pursue his dream of becoming a Doctor.

EDUCATIONAL BACKGROUND

Mohammad enjoys studying English, Maths, and Science. In his free time, he enjoys playing football.
