

Johnson Munyoki kiko

Johnson is 15 years of age. He is looking forward to joining High school this July. Johnson is a bright young man this is seen from his nation result slip whereby he performed very well. He scored 382/500 marks

Family Background

Johnson is an only child and he stays with his mother. He has never met his dad ever since he was born. His mum works as a cleaner in the neighborhood. Her job depends is not permanent and it depends if anyone wants clothes to be washed.

The little she gets from here is spent in paying rent and purchasing food for her family. Johnson is pleading for anyone willing to send him to high school so he can, meet his dream of becoming a neurosurgeon.

During his free time, he likes playing football. His favorite subject is science and social studies.
