

JUMA

Juma is 18 years of age. He is currently in form 4 and has a full-time border in high school. Juma will finish high school in December 2022. He is a very hardworking young man this is shown from his academic report card.

FAMILY BACKGROUND

Juma is the 3rd born in a family of 5 kids. This is composed of 4 boys and 1 girl. His elder sibling was not able to further their education to the high school level due to fees issues. Currently, they do odd jobs. All 4 kids stay with the mum in the Kongowea slum. His mother is the benefactor of the family and currently, she is jobless. She normally does odd jobs like doing laundry for neighbours, at times when she gets capital she buys fruits and sells them in a basket in the Kongowea area.

Juma and his sister Amina were lucky to join the high school as her mum took some loans from a women's fellowship which she is currently paying. Juma has been at home for 2 weeks in the previous year because of a school fees issue.

Juma's dad is old and he cannot work. He married Juma's mum as his 4th wife. Every wife takes care of her children and they do not depend on him.

Juma is happy to have secured donors through the SAAS organisation, this is a sign that he is going to have a good education.

EDUCATIONAL BACKGROUND

Juma enjoys studying Geography and Mathematics. His future ambition is to be a medical doctor.
