

Alyssa Elavuaji

Alyssa is 15 years of age. She completed her secondary education in march 2021. She is looking forward to joining the high school this July. Alysa is a bright young lady as she managed to score 306/500 marks.

Alyssa stays with her mum, who is a single parent. She is the 2nd born in a family of 3 children. This family is composed of 1 boy and 2 girls. Her parents got separated hence causing siblings also to separate. Her dad decided to stay with Alyssa's brother while the 2 girls stay with their mum. Alyssa depends on her mum for her support since her dad does not want anything to do with the girls. He only considered Allysa's brother to be his child.

Due to Covid challenges, her mum does not have work. Initially, she uses to work in a hotel. Alyssa and her mum moved to her grandmum house where they depend on her fully. Alyssa grandmum sells vegetables at the kongowea market.

All the family members stay in one room which has neither electricity nor running water.

Educational background

Alyssa enjoys playing basketball while her future ambition is to become a medical doctor. She likes science subjects although she finds mathematics to be challenging.
