

### **ABRAHAM**

Abraham is 20 years of age; he was born on 7<sup>th</sup> November 2002. He is currently in year 2 semester 1 at the Technical University of Mombasa. He is undertaking Bachelor's in computer science.

### **FAMILY BACKGROUND**

Abraham is the second born in a family of 6 children. This is composed of 4 girls and 2 boys. Abraham stays with both of his parents in the Junda area ie the north part of Kongowea. Both of his parents are not working. His dad used to work before as a builder, but currently, he does not have a job. He is waiting for any job opportunity to turn out.

The family depend on well-wishers to help them out in their daily meal. At times the family can go for a day without having any meal.

Abraham was lucky to be sponsored by an aspirant member of parliament to join secondary school. But immediately the aspirant member lost in an election he did not wish to continue supporting him. Since then he has been out of school for many days, even to go the extent of missing particular terms in school.

His father had opted for him to drop out of school as he knew he could not afford to keep him in school. Although the teachers insist that he should be in school as he is a very bright young man.

Ever since SAAS came to his rescue Abraham has been performing very well so that in the future, he may help his family come out of the abject poverty they are living in. His family is praying for the well-being of SAAS donors for holding their hands while He was in need.

They live in a rented 2-room house with neither electricity nor running water.

### **EDUCATION BACKGROUND**

Abraham's future ambition is to become a software developer, he enjoys playing ball games when he has free time.
