

### **NAOMI**

Naomi is a very hardworking young girl. She completed her primary level in 2021. She is yet to join high school due to a lack of school.

### **FAMILY BACKGROUND**

Naomi is the 2nd born in a family with 5 kids. She lives with both of her parents. Her mother works as a house helper in an Indian home while her dad is a casual labourer who works as a painter. The amount of money her parents get is spent on rent, buying food and paying school fees for her other siblings.

Naomi has no hopes of joining secondary school because her parents can't afford it. She is hoping that someone will come to her rescue so that she can join high school and acquire the basic education that is beyond reach to her.

They stay around Kongowea Area in a single room that has electricity but no running water.

### **EDUCATIONAL BACKGROUND**

Naomi is hardworking and her favourite subjects are English and Social studies. During her free time, she enjoys singing and her future ambition is to become a navy police.
