

### **ZULFA**

Zulfa is a full-time border. Currently, she is in form 3. She will finish high school in November 2023.

### **FAMILY BACKGROUND**

Zulfa is the 1st born in a family of 5 children made of 3 boys and 2 girls. She stays with both of her parents who work hard to make ends meet in the family. Her dad works as a builder while her mum sells snacks at Kongowea.

In a good month, both parents make a total of 80 euros which they use in paying rent, set food on the table and save some for Zulfa's education.

Their income is insufficient to keep Zulfa fully in school. She has been out of school for almost two terms due to a lack of school fees. Thanks to your support she has gone back to school and her learning is going on smoothly without any fear of being sent home for school fees. She has promised to work hard in her studies and makes herself proud.

Zulfa and her family stay in one room house which has electricity but no running water.

### **EDUCATIONAL BACKGROUND**

During her free time, she likes cooking and reading a storybook. Zulfa enjoys studying science while her future ambition is to become a policeman.
