

SAAS

SPONSOR AN AFRICAN SCHOLAR

MBARAK

Mbarak is 16 years old. He finished his primary education in a government school. Mbarak is an intelligent young man who has a bright future. He is to join form 1 and will be finishing in 2024.

FAMILY BACKGROUND

Mbarak comes from a family of 5 children 3girls and 2boys. They stay with both of their parents in one room Swahili house. His dad works as a conductor in a public service vehicle. He does not earn much. On a good day, he makes 10 euro which he spends it in meeting family expenses like, paying rent, medical bills and setting food on the table. His mum is doing housewife, they all depend on his dad.

Three of his siblings stopped school due to fees, while her elder sister is in form three. SAAS organization is the one that supported his sister to school.

Mbarak is a promising boy whom we feel, if given a chance, will use it well and be able to save his family from the poor life in which they are currently living.

Mbarak enjoys swimming and football. He likes biology a lot his dream is to be a surgeon one day.
