SPONSOR AN AFRICAN SCHOLAR

**AMINA NADZUA**

Amina is currently in form 3 at ACK St. Thomas Girls' Secondary School. She will be finishing her high school level in 2022. Amina is a very hardworking young girl.

#### **FAMILY BACKGROUND.**

Amina is the 4th born in a family of 5 children. She comes from a polygamous family. Her mother raised them single-handed since her dad is aged. Amina's mum was married to an elderly man due to their culture which advocates for the young girls to be married to elder men as a way of security. Amina's mum works casually depending on the job opening. She can either do laundry for people in the neighbourhood or dig their farms. In a good month her mum makes 50 euro, this amount is not sufficient to meet their daily need, in addition, to support Amina to school.

Amina's elder siblings are school drop out due to fees issues.

Thanks to SAAS donors Amina can settle in school and put all her energy into meeting her dream which is to save her family from the abject poverty which they are in.

They live in Bangla are in Mombasa in a single room Swahili house that has electricity but no running water.

#### **EDUCATIONAL BACKGROUND**

Amina is very hardworking. She loves studying English, Kiswahili, C.R.E and Agriculture. Her future ambition is to become a Doctor. In Her free time, she enjoys playing Handball.
