LYDIA

Lydia is in form 3. She will be completing her secondary school level in the year 2022.
FAMILY BACKGROUND

Lydia is the 1st born in a family of 3 children consisting of 2 girls and 1 boy. Lydia and her siblings are raised by a single mother.Her mother is a house-helper in peoples houses. The amount of money she gets from the job is not enough to cater for all their expenses.
Lydia's mother is struggling so much to educate her children, especially raising Lydia's school fees.She is always sent home to collect school fees yet her mother cannot afford. It is through the help of well wishers that she is in school. She pleads for help so that she can complete her studies and her mother and younger siblings.

They live in Likoni in a single room house with electricity but no running water.

EDUCATION BACKGROUND
Lydia is a very hardworking. Her favorite subjects are Biology, English, History and religious studies. During her free time, she likes playing Netball.Her future ambition is to become Neurosurgeon.
